World's Smallest 18W Power Delivery Wall Charger 18W PD USB-C Wall Charger

This USB-C wall charger packs a total 18W of power into its compact form. It keeps your devices charged at home, in the office, or on-the-go.

FAST CHARGING TECHNOLOGY

The latest, fastest and most efficient USB charging technology in the world. Charges compatible devices up to 4X faster than the conventional chargers, able to charge compatible devices from 0% to 80% in just 35 minutes. Less time charging, more time enjoying!

SAFETY GUARANTEE

Multiple built-in revolutionary smart chip fully protect against over-current, overcharging and overheating for safe and fast charging.

SMART IC

Intelligently recognizes the electronic device and maximizes charging efficiency. Consolidate your power with one charger for all your USB-C tech up to 18W.

TRAVEL LIGHT

Thanks to its ultra-compact size which measures 29*23*30mm, it is the world's smallest 18W Wall Charger. Throw into your pocket and may power be with you!

WORKS INTERNATIONALLY

Comes in different plugs options for over 150 countries.
