

VENUS Pro

Uncompromising Standards

4G LTE Phone

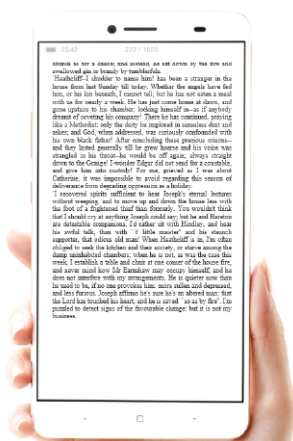

Glasses Free 3D Enhanced

Features 6.5 inch
SHARP Full HD Display

Your Workstation Anytime, Anywhere

VENUS Pro's 6.5 inch screen makes writing emails, displaying PPT and reviewing pictures a breeze on a palm size device. Now you can access your work from your palm. Perfect device for mobile office.

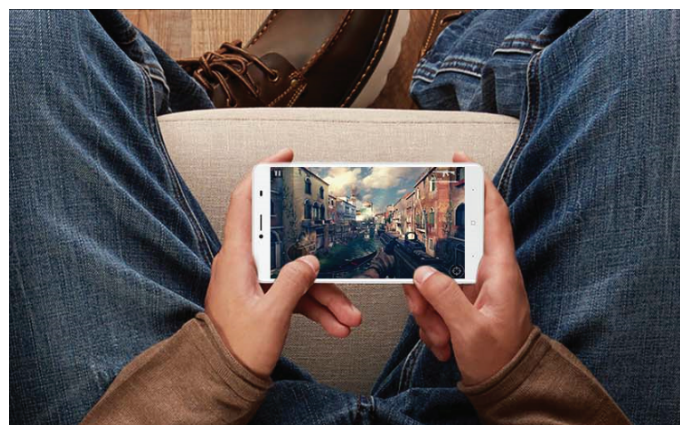

Perfect Reading Companion

VENUS Pro is a great digital book reading companion thanks to its 6.5-inch mega screen. Now, the screen accommodates more text and more content appears on one page. VENUS Pro allows you to enjoy reading by minimizing the need to turn pages frequently.

Your Best Gaming Partner

The Gyroscope and Glasses Free 3D function of VENUS Pro offers the most realistic and high performance gaming experience possible on a phone.

Reveal Your Different Talents

Want to liven things up when you hang out with friends? Launch the APP "Perfect Piano" and show off your talent in music. Want to draw beautiful scenery during journey? Try "Procreate Pocket" and create your artwork. Creation belongs to everyone.

Huge Battery Supports Fast Charge

Equipped with a huge 4300mAh capacity battery, VENUS Pro is capable of offering hours of enjoyment of videos and games. With the 5V/2A fast charger, the phone is able to work even more efficiently.
