

BLACK BADGE

Overcoming the Impossibles

Fabulous Visuals

Featuring a 5.2-inch 1920*1080 Full HD IPS Display, MPlus BLACK BADGE offers an Amazingly Vivid View paralleled by no other smartphones. Your eyes feel Uncompromised Comfort when looking at the screen, regardless of brightness. The whole colorful world is all in your hand.

DIRECT Wireless Charging

With the built-in DIRECT Wireless Charging capability, No Cable or Case or Kit is needed for charging. Just place your MPlus BLACK BADGE on a Qi or PMA compatible wireless charger and it will be empowered.

Smart Touch ID

Enhanced Security offers you peace of mind. Identification is Simple and Quick : Place your finger on the re-designed and improved Non-Metal Sensor and the phone will be unlocked in 0.4 Seconds. The Touch ID feature supports Online Payment.

Excellent Craftsmanship

Excellent Craftsmanship and Advanced Components ensure Consistent Performance on top of Perfect Presentation.

Diamond-Cut 2.5D Glass Touch Panel

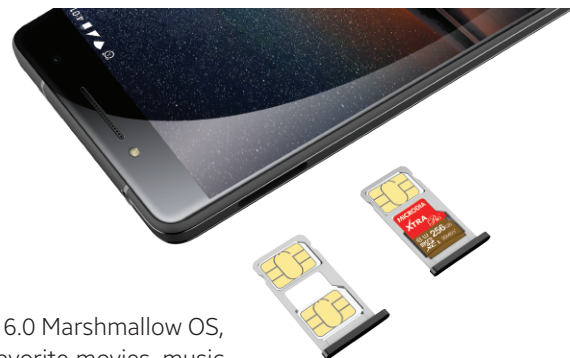

The Unique Diamond-Cut 2.5D Curved Tempered Glass as well as the Double-Sided Glass Design demonstrate Extreme Magnificence and Ultimate Durability.

7.75mm Super Slim Body

Every sophisticated technology is precisely packed in the 7.75mm Super Slim Uni-Body. The Slim Design delights users who enjoy Travelling Light.

Dual SIM with Expandable Memory

MPlus BLACK BADGE offers you Full Convenience and Flexibility by putting in Two nano SIM Cards or One nano SIM Card plus One microSD Card at the same time. The 32GB internal storage can be Expanded Immediately with an additional of 128GB memory by putting in a microSD card.

Octa Core CPU & 3G RAM

Powered by an MT6755 Octa Core CPU and a 3GB RAM, running on the latest Android 6.0 Marshmallow OS, MPlus BLACK BADGE guarantees Smooth Performing of all your tasks, playing your favorite movies, music and games with ease.

Redefinition of Smartphone Photography

The Golden-Circled 16MP Rear Camera reproduces the original colors with Extra Sharpness and Richness, and improves picture quality in Low-Light Situations. It empowers you to shoot Full HD Videos smoothly and flawlessly just like with a DSLR. The Front 8MP Camera has an 88-Degree Wide-Angle 22mm Lens, which enables you to capture a Wider Span of background into your photo.
